

## We are looking for Dancers (paid)

The **InnoTexGes project** at the Berlin University of the Arts is planning a creative photo shooting for the clothing collections created within the research project.

We are looking for **dancers** (m/f) for our clothing collection. The shooting is on **Friday the 20.5. 2022** (2-6 hours) in Berlin Kreuzberg. Our clothes are reconstructions of several thousand-year-old dresses and modern adaptations.

This is a paid shooting: **€25/hour**.

If you are interested and looking for creative expression in those collections, please contact Ulrike: [u.beck@udk-berlin.de](mailto:u.beck@udk-berlin.de).
